

Social Happenings

Mrs. James M. Barron has as her house guest, Mrs. L. L. Bush of Dunbar, S. C.

Mr. and Mrs. H. S. Sewell and children have returned home from a vacation in North Florida. Her parents, Mr. and Mrs. J. O. Simpson accompanied them here and will remain for a visit.

Mr. and Mrs. John T. Pickett and son Donald recently spent five days in Key West where he as a representative of the Central Corporation of New York City inspected the sewer lines.

Mr. and Mrs. Urban Felling and children have arrived home from Iowa where they spent a month's vacation at their former home.

Mrs. Fred Ogle is convalescing at her home following a major operation at the Belle Glade Memorial Hospital.

Mrs. C. A. Boone and children have returned home from Gainesville where they visited Sgt. and Mrs. Paul Teague.

Mrs. Ruth S. Wedgworth was guest speaker before the Lake Worth Rotary Club on Wednesday.

City Clerk and Mrs. A. L. Walker and son, Alvin, returned home this week from DeSoto, Georgia where they visited his family.

A good policy to follow!

Walking to my office the other day I passed by the stores and offices of the people in this community with whom I do business. I could not help but think how fortunate it is to have so conveniently available most of the services and help needed in our daily existence and provided by those whom we know and trust as friends and neighbors.

It made me feel good to realize that in my job as an insurance man I too contributed to the convenience and welfare of the members of this community.

I realize that in doing business with people who are close to you and whom you know, there is that personal touch and interest which cannot be obtained from distant located strangers. For that reason and the fact that it will increase the prosperity of our community and ourselves, I believe in the policy of buying from your neighbors.

mother. They also drove to Franklin, N. C. and Pickett, S. C. to see Mrs. Walter's brothers.

Mr. and Mrs. Frank Close are spending a two weeks vacation with her family in Fairbairn, S. C.

Herbert Boyd, a student at Southwestern Louisiana Institute, Lafayette, La., has arrived home to spend the balance of his summer vacation. He is studying animal husbandry.

Clifford Ward of Ojus has come to this city to make his home, and is employed by the Glades Appliance Corporation as a salesman.

Carl T. Cook and son Jerry have spent the past ten days visiting relatives at Cedar Keys and have enjoyed fishing and hunting green turtles in the Gulf.

Miss Carlene Goss has returned home after a visit with Mr. and Mrs. Bob L. Hughes in Zellwood.

Mr. and Mrs. Milton Barry and children, Jerry and Wilfred left Saturday for a two weeks vacation touring North Florida, Georgia and possibly the Carolinas visiting points of interest.

Mr. and Mrs. J. K. Baker will have as their guests this week-end, Fred Lindeman and Thomas B. Masters of Ft. Benning, and P. E. Miller of Hinesville, Ga.

Billy Mathis suffered another attack of head trouble last week and was taken to the Lakeside Clinic by his parents, Mr. and Mrs. D. B. Mathis. Specialists there determined that he has an allergy, and suggested that he live somewhere other than the Glades. He is now with his grandmother in Repton, Alabama.

BRIDAL SHOWER FOR MRS. ELMER MAXSON

A miscellaneous bridal shower was given in honor of Mrs. Elmer A. Maxson, the former Maxine Parker, by Mrs. George Rawls and Mrs. Tommie Parker, at the Rawls home on Indian Mound recently.

The home was beautifully decorated with roses, sinias and potted plants, and refreshments of ice cream and cake were served by the hostess.

The honoree displayed her many gifts, and "Adieu to the bride" was given.

Mrs. Tommie Parker was co-hostess with Mrs. Watson.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Robert Bair announce the birth of a daughter, July 16th at Dr. Bramley's Hospital in Lake Worth. She has been named Ethel Ann.

High Wind Storm Strikes Across North End Of City

Dark and lowering skies struck this section during Monday night and during the balance of the day we had most every type of storm, wind, rain, and during the day a severe gust of wind came crashing down.

Dr. Paul Pauline, Director of Family Relations Institute of the University of Florida, says that a bachelor for the main job. We realize that we can live as cheaply as one-half as much as we are now, and when the expenses accumulate the difference is a great deal. However, it'll be tough on the boys, but the girls are still more interested in getting a job than in getting a husband. We think the boys are the ones who are not getting a job.

Hobson, Miss Carolyn Cato, Miss Anne Kirkman, and Mrs. A. A. Kirkman.

JOHNNIE ROBINSON FETED ON BIRTHDAY

A birthday dance was given at the Community Club House Friday night for Johnnie Robinson in celebration of his birthday, by his mother Mrs. J. K. E. Lutz.

The Club room was decorated with garden flowers, and refreshments of birthday cake guests danced to recorded music.

Attending were Marianne and Clarke Womack, Gloria and Margene Mathewson, Doris and C. W. Crosby, Betty Layfield, Kaye and Kenneth Lutz, Billy Bailey, Lee and Billy Burke, Ted Pope, Helen Cassano, Gilbert and Don Annapu, Billy Mathis, Percy Chamberlaine, Roland Williams, Alvin Leavelle, Mary Jo Campbell, Joan LeFell, Florence Bore, Betty Jo Bearden, and the following: Billy Ray Evans, Frankie Farmer, Joan Darden, Nancy Crossen, Boots Towne, Joe Cherry, Billy Joe Lutz, Jackie McWhorter, and Howard Hill.

PREBYTERIAN CHURCH GIVES SERMON TOPICS

"By Faith Abraham Obeyed" and "The Judgment of the Nation Israel" will be the topics of the sermon by the Rev. P. Phillips of the Everglades Presbyterian Church for the Sunday morning and evening services.

There is a continuation of the series of sermons beginning in the first book of the New Testament.

The women of the Church met Tuesday night at the home of Mrs. Tom Watson. The devotional was given by the W. K. Whitlock on Cooperation, a program "Peaceful Change is Possible" by Mrs. R. B. Ramsey, and "How We Can Be Christian Witnesses in Our Daily Lives" by Mrs. R. B. Ramsey.

Mrs. Tom Watson gave a report on religious education in the church, and Mrs. R. B. Ramsey presided over the business session.

Five persons were present and two guests, Mrs. George Rawls, and Mrs. B. M. Everett.

Mrs. Tommie Parker was co-hostess with Mrs. Watson.

Job Placements Are On Increase in Our Belle Glade Agency

Total placements made by the Belle Glade office of the Florida State Employment Service during June totaled 118. This represents an increase of 35 over June a year ago.

A. M. Larimore, local office manager, reported that the normal increase of job applications began with the close of the school year as students and teachers sought summer work and graduates were entering the labor market. The usual decrease of job openings during the off summer season is also underway.

"The Belle Glade Employment Service office received 149 new applications for jobs during June of this year, as compared to 115 the same month a year ago," Larimore revealed. "Of those received during June, 141 were referred last June."

Active application files at the Belle Glade Employment Service office show that a majority of those workers seeking jobs are seasonally unemployed sugarcane mill workers in the Clewiston area, seasonally unemployed farm hands and a few skilled mechanics and domestic service workers. Job openings registered with this agency are largely for skilled and clerical workers, including plasterers, brick layers, and bookkeepers.

Of 41 jobs referred to the non-agricultural job opening during the month by the Employment Office, 25 were referred to the agricultural employment was secured for 11 women and 8 men.

Both prospective employers and employees will find the activities of the Florida State Employment Service useful in meeting their job problems and career urges. Anyone who wants help or further information to obtain a job should contact the local Florida State Employment Service office at 125 S.W. 2nd Street. Job orders will be taken over telephone 2931.

FOR SALE—Unfurnished apartment in cottage, 3 rooms, bath and porch. Close in town. \$35. Inquire at 317 Ave. A. 7-2-11

Beach County Chapter since its organization in 1941. Fifteen cases have been hospitalized in the Palm Ward at St. Mary's Hospital this year. One patient is at Georgia Warm Springs for surgery, another will be sent for convalescence in August, and a colored child was admitted to Tuskegee Institute in May.

Mr. O'Connor's letter declared that "last year's epidemic, the worst in 32 years, exhausted reserves of the National Foundation. In the five-year period ended in 1948, the 95,374 cases of infantile paralysis recorded in the nation were more than double the 47,738 cases reported in the preceding five-year period. At the same time, per patient costs of hospitalization and medical care also have more than doubled in the last decade."

"At the same time, preventive and curative care has been stepped up to the limit of our resources. Now that many hopeful signs are beginning to appear, we cannot relax our effort in this direction. Unfortunately, 1949 incidence figures to date show no sign that any relief from the heavy toll of the disease experienced in recent years is in sight. Besides the heavy burden of care for cases carried over from previous years, we are again faced with a possible new heavy case-load this summer."

"While it is impossible at this time to predict how heavy this year's case load will be, here is grave danger that the record sum raised in the 1948 Dimes will prove inadequate to carry on our full medical care and research program in the current year."

Mrs. Boyd pointed out that the effect of the Palm Beach County Chapter is temporarily at 172 So. Ocean Boulevard, Palm Beach, and that the Executive Secretary, Mrs. R. S. McQuerry, will be glad to furnish information and literature to anyone asking for it.

Palm Beach County Chapter of the Florida State Employment Service is now accepting applications for jobs. Write for information to the local office at 125 S.W. 2nd Street. Job orders will be taken over telephone 2931.

Wills Warren Is First Winner In Talent Show—Wills Warren, who received an ovation when he mounted the stage Thursday night at the Hugo Theatre, was elected the best talent act of the evening in Melvin Miller's Talent Show.

Diminutive Barbara Kirkman came into second place, followed by the audience with her: childlike simplicity and manner of delivery, singing a charmingly naive "You Were Meant for Me" which she had handsomely received.

Betty Lou Scarborough delighted with two well placed songs, displaying a fine manner of delivery and showmanship added to her compelling personality.

Two young men, Dean and Carter, offered some close harmony in two numbers which were handsomely well shared and received with enthusiasm by the large crowd.

An Span was very refreshing with his two numbers and a young man, Jackie McWhorter, crowned two numbers in a "know how" manner.

Every one of the first place winners from Pahokee gave a fine performance in acrobatics and stunts, and the approval sign from the audience. Malcolm Miller, who staged and directed the show, stated he is working up another corking good show for this coming Thursday night.

County Rates \$16,000 Towards Expenditures On Cases Cared For—A record total of \$25,728.00 was raised in the 1948 March of Dimes to continue the fight on polio. It was announced today by Mrs. J. M. Boyd, Chairman of the Palm Beach County Chapter of the National Foundation for Infantile Paralysis. The comparable figure for last year was \$21,600.00.

Mrs. Boyd disclosed results of the 1948 March of Dimes appeal following receipt of a letter from Basil O'Connor, President of the National Foundation, who expressed his thanks to the American people and the thousands of volunteers throughout the country who made the drive the most outstanding in the organizations history.

His fund raised, after expenses, will be used by the national headquarters to support its research, professional education and training programs, and to supplement resources of its local chapters in epidemic emergency.

The other half to pay for care and treatment of polio patients. Mrs. Boyd disclosed that the total amount raised in Palm Beach County this year was \$16,571.00. The chapter was organized in 1941, and has been successful in raising a total of \$113,000 in advance to the Palm

Beach County Chapter since its organization in 1941. Fifteen cases have been hospitalized in the Palm Ward at St. Mary's Hospital this year. One patient is at Georgia Warm Springs for surgery, another will be sent for convalescence in August, and a colored child was admitted to Tuskegee Institute in May.

MOOSE VIOLATION CANCELLED—Owing to a necessary cancellation of the expected violation of the rally which was to have been held and addressed by high officers of the Moose lodge on Sunday, was postponed until a later date.

ITEMS THAT TOUCH—Continued from page 1. The new tax levy for the Belle Glade Memorial Hospital District, has been fixed at 7.73 mills and that of the Pahokee District, 8.25 mills.

The County Veterans' Service is asking for \$20,000 for 1949-50 for operating expenses, for offices in West Palm Beach, Pahokee and Belle Glade. This is the same as was appropriated last year.

The new law of the State of Florida now makes it possible for electors to vote absentee ballots by mail within and without the county.

BERT ROEMER GIVEN (Continued from page 1) the receipt of building materials will permit.

The new building, which will be located at the southeast corner of West Avenue B and First Street, S.W., will be built after specifications prepared by leading firm of local architects in St. Louis, and will be of steel and concrete construction, and of masonry walls. The building will be ready for occupancy in the early fall.

WATER SERVICE (Continued from page 1) The new water main, resulting in the fact that the park tower never could be filled to capacity, is now being planned for a pipe extension on the top of the lower tank, which will permit it to be filled to a desired level.

Commissioner Lloyd states that Belle Glade now has the best fire protection it has ever enjoyed, with more mains and better water pressure. Sixteen inch pipe will connect the canal, and then six and eight inch pipe are used in the regular mains charts.

Mr. Lloyd is of the opinion that when he completes the water extension work along with a new pump engine and an auxiliary truck built by the firemen from scrap, improved fire and sanitary conditions in business, rooming houses and tenement blocks, that when the inspectors of the Southwestern Fire Insurance Assn., come to inspect the city, they will be so impressed with the fact that the city as a whole should be due for quite a nice reduction in fire insurance rates.

The paved streets is also adding the fire department and possibly in securing free mail delivery service for the city.

COMPLETE AUTO REPAIRS

Individual contributions of one dollar, the cost of five-cent blocks, from 6,500 4-H boys and girls in southern Florida counties will provide a good send-off for the new 4-H camp to be built on the shores of Francis in Highlands County.

The plan for the individual contributions was developed by Mrs. Anne Davis, Manatee County home demonstration agent, and will pay more than half of the construction costs of 12 cabins. The \$3,500 balance needed will be made up by group activities sponsored by the 4-H club in the region.

The entire camp is to be made of cement blocks and it is hoped it will be ready by the summer of 1950.

The camp will accommodate 1,200 boys and girls over a 10-week camping period.

New County Vegetarian—Dr. J. E. Bryant, of Lake Worth has been named County Vegetarian to replace Dr. G. I. Bush, who resigned as county vegetarian last year. Bryant will receive a \$6,000 salary for his services.

Belle Glade Herald

OBSERVATION
Continued From Page One
spread so that it is a menace
most everywhere.

Mr. and Mrs. D. C. Deffen-
now on vacation, are in com-
pany of a couple of friends,
from Atlanta, who were mar-
ried with them on the same day
and occasion, and who have
kept up a close friendship. The
four left Atlanta for a motor
trip to honeycomb points, in-

cluding Niagara Falls, New
York, Washington, and
points in West Virginia and
Ohio.

Recently made my first visit
to the Boy Scout camp on the
banks of Lake Osborne, at
Lantana, and was agreeable
pursued with what I saw there,
in the way of an ideal camp
for Youth work. Much has been
done in the way of improve-
ments but there still remains

more to do to complete the en-
tire set-up. With the facilities
there as provided, it will be
the best of the youth if they
do not have beautiful and en-
tertaining summer periods of
visitation. Lots of water for
boating, bathing and fishing
and work for studying wood-
craft lore. Also got my first
view of the mammoth Tubercu-
losis hospital which is being
built in that section, at a cost
of around \$4,000,000. It is a
massive structure capable of
caring for 500 patients at a time,
in the manner in which the Gov-
ernment does patients in such
wellfare and humanitarian work.
It will be a haven of peace
and home for many persons.

The farm lands over in the
Lakes World, Drainage District
have suffered greatly the past
few months from the lack of
rains, and many farmers pur-
posely resisted from trying to
raise crops. On the 10th of the
month they had the first copious
rain of the season, which
was most thankfully wel-
comed.

Some of the softball teams
are lacking players of a type
to cope with the strong teams
more fortunate in the player
draft. As the boys get to know
each other, and learn to play
together as a team, some
mighty classy ball is played,
and some messy ball is played.
Do not know an enter-
tainment spot in Belle Glade
where people can spend a more
pleasant hour than just at these
games, at so small a cost.

With the planting of those
Royal Palm trees in front of his
property on SW 4th street,
Prof. Hobson, has added a pleas-
ant addition to his property and
the neighborhood.

The plan to construct a state
or federal highway atop the
government levee from Port
Mayers to Clewiston, which has
been talked over since the big
breakwater was built, is again
coming alive for discussion
purposes at least. It is stated
that the state and federal people
are conferring on such a pro-
ject but how far it has reached
is not yet divulged. However,
logistic bodies in the two coun-
ties, are on record as favoring
and urging the construction of
what would be a direct scenic
and pleasant drive over the top
of the big mound. That 40 mile
stretch of road, as it were, have
to be built, sure would cost
someone a pretty penny. But
what does money mean either
to the state or Federal money
bags, if they give the public
something that it demands and
wants?

With the increase of summer
agricultural work becoming
more plentiful, a considerable
amount of field laborers are
staying in the Glades area, rather
than follow the crop route.
With industrial developments
coming in the area, demand for
summer month labor is in-
creasing, the darkest feel that
it is more profitable to stay
right at home here.

That old spillway and dam
down on the New River Canal,
which has been the bone of
contention for a number of
years past, is going into the dis-
card. The Everglades Drainage
District trustees have given
consent for its removal, either
under some political unit direc-
tion, or by farmers of the neigh-
borhood. A new spillway will
be erected further up the canal
in Palm Beach county. This
new spillway has been endorsed
new spillway has been endorsed
effected in the area.

City politics is beginning to
have a little buzzing, although
election is some ten weeks away.
There will be three commis-
sioners to elect at this time, as
the terms of Commissioners
Rabin, Lloyd and Harris expire.
Some of the street wars were
heard to make the remark that
"bet some of the commissioners
wish they were under Civil Ser-
vice protection". That would in-
dicate that there is some axe
sharpening going on against
incumbents.

Mrs. Gladden Barlow has
lived on her place at South Bay
for more than 30 years, and her
home is surrounded by a grove
of mangos, not Hayden. She
states those years she has never
seen as large and good a crop
of mangos as has been pro-
duced this year. She also found
out that Glades people do like
this tasty tropical food, as a
small advertisement brought
her many patrons for the fruit.

The age limit in Boy Scout
membership has been reduced
by the National Executive
Council, but not until after
extensive research on the sub-
ject of three years. After Sep-
tember 1st, boys may become
Cub scouts at eight years, Boy
Scouts at 11 instead of 13, and
Senior Scouts and Explorers at
14 instead of 15 years. The Ex-
plorer division will be devoted
to senior work on both land and
sea. Forestry will be one of the
subjects on which stress will be
placed. Palm Beach county,

with its fine camp at Lake Os-
borne, is equipped to do a fine
work in behalf of the training
and educating of its youth.

Belle Glade Lodge of Masons,
when it gets its new temple
home, will have one piece of
furniture of which it can be
most proud, and that is a
large illustrated Masonic bible.
Mrs. Fisher, of South Bay, a
Bible agent, told L. E. Willis, the
Master, that if he could sell
10 copies of this particular type
of Bible to lodge members, he
would give the lodge a new
copy. She must have succeeded
in her quest, for on a recent
lodge night, the "Holy Bible"
was duly presented and re-
ceived in the same spirit it was
tendered. Two members of the
lodge are now wearing keep-
sake rings, namely Joe Cherry,
Jr., and "Hitch" Hitchcock,
who were presented rings
which had been worn for years
by their fathers, each of which
had considerable Masonic sig-
nificance.

With the planting of those
Royal Palm trees in front of his
property on SW 4th street, Prof.
Hobson, has added a pleasant
addition to his property and the
neighborhood.

The State law requires that
persons who employ members
of the National Guards must
that leave of absence vacation
without loss of pay, must be
granted. The city has enacted an
ordinance granting such leave
of absence to city employees
when they are guardsmen.

Our colored citizens, put up
a good contest to prevent liquor
stores from going on West Ave-
nue. Unfortunately, they did
not have the proper information
and procedure of action to make
a winning fight for their cause.
Their objectives in not desir-
ing either wine and beer or
package stores over in the res-
idential section were valid ones,
their main issue was that they
wanted to have a cleaner com-
munity, residential section.

The Upper Room, a publica-
tion issued by the Methodist
Book Concern, treating on the
Biblical life, and which is
largely read by members of all
Christian faiths, has the dis-
tinction of being printed in five
foreign language editions,
namely, Chinese, Portuguese,

Spanish, Braille and now in
Aramaic, the latter published
in Lebanon, Syria. The publi-
cations of the Methodists the
past year or two have been
climbing in excellence of ar-
rangement and subject read-
ing matter, till now they lead
the list of church publications.

Mid-summer indications point
to a mighty busy season in the
Glades. An area that can pro-
duce products valued around
\$50 million a year of necessity
has to be a busy place. It means
a lot of capital to carry on the
projects to secure these mil-
lions, some times gains against
great handicaps.

Perusing the Glades bank
statements of the past week,
does not indicate that Glades
people are on the beggar or
pauper list.

Steps are well along in the
organization of an official City
Children's Health Clinic. This
to serve the South Hospital Dis-
trict. This is a step forward
looking to better conditions for
treating illnesses, diseases and
quarantines for the clinic
use, and equipment already on
hand is ready for installing.
Medical and supervising per-
sonnel is available, and all that
is needed to make it a success,
is money for operation. For such
a good public cause there is
little doubt but what some will
be provided from one source or
another.

The City Waterworks de-
partment has lost a good cus-
tomer, for the Florida East
Coast Ry has abandoned and
torn out its water stations for
its engines, as it did at Port
Mayers. With the introduction
of the Diesel engines as motive
power need of water for engines
ceased. Among the accumula-
tion were several thousand feet
of six and eight inch water
pipe, and several fire hydrants.
Commissioner Lloyd at 11 o'wed
that the city could use this sur-
plus stock in its extension work,
and he made an advantageous
deal for its purchase, which has
been approved by the city com-
mission.

Not long ago an English
School Master, was asked,
"Where is your time table, do
you teach religion?" He replied
"We teach it in Arithmetic by
accuracy; we teach in language
by learning to say what we

mean; we teach in history by
humanity; we teach it in Geo-
graphy by breadth of mind;
we teach in play ground by
fair play; by courtesy to ser-
vants by good manners to one
another and by truthfulness in
all things. We teach it by show-
ing the children that we, their
elders, are their friends and not
their enemies."

School athletics in Belle Glade
are going to have more fire and
"jump." Coach Leavitt is a fel-
low who wants to see things
done right and with a spirit of
aggressiveness. With an Admi-
sion Committee backing him up
and handling business outside
the coaching job, we should see
things humming. The new steel
bleacher seats, for 300 season
ticket holders, located each
side of the 50 yard line, ought
to have a quick sell out, thus
aiding in the Council's intent
to pay off the school board loan,
as quickly as possible. Our ath-

letic fields are the best and our
fans want to see them kept
that way.

City putting the dog pound
away out in the wilds adjoin-
ing the rock pit where the can-
cancer can bay at the moon to
their heart's content, and not
cause much disturbance to the
locality. Inspector Willis says
the pound will be an excellent
permanent layout. Humane ex-
termination equipment will be
among its facilities.

Truckers who bring down
Georgia watermelons to Belle
Glade for sale find a pretty
good market for their wares, as
our citizens have been pretty
loose of oranges a minute, and
good appetites for the red
hearted melon. Police keep a
pretty sharp eye on the truck-
ers, and if they cannot prove
that they are selling fruit they
personally raised, they have to
feed the city kitty. Melons sold
last week from 40c to \$1.50, will
be of a more uniform in
One trucker had a thousand

melons on his big stock truck
when he left his home and he
expected to average 75c the
melon.

The death of Charles Leon-
ard at Winter Haven brought
much regret to his many friends
here in the Glades. Charlie was
a most friendly fellow and as a
machinery and car salesman
was well rated by the profes-
sion. One will hardly forget his
cherry salutation, strong hand
shake and that big cherry smile.

A manufacturing company at
Lakeland has built a new sort-
ing machine, which in actual
operation, can handle from 5-10
boxes of oranges a minute, and
from 10-15 boxes of grapefruit.
A similar patterned machine
will sort and pack tomatoes at
a similar rapidity. It is claimed
the machine will be a great
labor and operating expense
in the packing house, and fruit
will be of a more uniform in
One trucker had a thousand

"Why accept anything less than
the most Beautiful BUY of all?"

Stand by for a Chevrolet
and get the most for your money

If your money you're spending, and you're entitled to
get the most motor car, in return. All America says
that means Chevrolet—the most beautiful buy of all—and
the car that gives EXTRA VALUES in every phase
and feature of motoring. It brings you fine-car advantages
from Fisher Body Styling and Value-in-Head perfor-
mance to Center-Point steering ease and the greater riding-
comfort of the longest, heaviest car in its field. And
offers these advantages at the lowest price! So, why
accept anything less than the most beautiful buy of all?
... Invest in a Chevrolet and get the most for your money!

Again... NEW LOWER PRICES!

Insist on getting these EXTRA VALUES exclusive to Chevrolet in its field!

Mr. and Mrs. Kenyon Lassiter of South Shore Plantation are on a three weeks vacation visit among relatives in Alabama.

Mrs. C. E. Crichtfield and children have returned from a ten day outing at Fort Myers Beach. They were joined there for a few days by Miss Mariette Campbell.

South Bay Class Enjoys Genuine Spaghetti Supper

The Young Married Couple's Class of the Baptist Sunday School were the guests of their pastor and wife, Rev. and Mrs. B. A. Oswald, on Friday night at a Spaghetti Supper.

A number of the class are out of town on vacation. Those

present were Mr. and Mrs. Alford Vadasz, Mr. and Mrs. W. W. Ferguson, R. B. Woodhouse, Mr. and Mrs. Wayne Ellledge, Mrs. Leland Hardy.

Club Girls Enjoy Outing at Osborne

The 4-H Club girls have returned from Camp Osborne where the county 4-H girls were camped last week. Lake Harbor girls in attendance were Patricia Weaver, Betty Hess, Connie Perkins and Irene Henshull.

South Bay girls who attended were Jackie Mutchler, Carol Jean Ward and Barbara Willets.

Drainage Ditch Cleaned

The Town of South Bay and the South Shore Drainage District officials cooperated last week in cleaning out the drainage ditch from the North New River Canal to the Main Highway just south of the Max Harrell property and is the spare drainage for the townsite of South Bay. The project was undertaken to prepare for any even rainfall on the townsite during the summer rainy season.

Marriage Without The Change of Name

The W. C. Allen home was the setting for a home wedding Tuesday evening at which time Clifford Allen and Yvonne Allen renew their vows, the Rev. B. A. Oswald reading the single ring ceremony.

The ceremony was performed under an arch of ferns interwined with summer flowers and a large bow of white satin ribbons. Mrs. Allen wore for the occasion a white suit, red rose shoulderlet corsage and white second-hand carriage and white second-hand carriage.

Miss Jane Allen, sister of the bridegroom, was bridesmaid and W. C. Allen acted as best man. The bride was given in marriage by Vernon Martin.

The wedding party friends and relatives attending were entertained at a reception following the ceremony.

Out of Two guests were Mrs. Floyd Abstein, Judy and Linda Abstein and Mrs. Rose Kohler of Fort Pierce, Mr. and Mrs. S. C. Pate of Belle Glade, Joe Hester and Vernon Martin of Fort Lauderdale.

The young couple have taken an apartment in Belle Glade at present making their home at that point.

He is admired for his broad vision in business affairs as owner of the Kahns store and partner in Belle Glade Store of Kahn's, and is held in high esteem for his public spiritedness. Born in Louisiana, where he attended Theological school in Vlnno, he left there and came to America when he was nineteen years old. He first settled in Pelman, Georgia, later moving to Sebring, Florida, in 1925. After the Florida boom he moved to Moore Haven. In 1928 the hurricane blew away his business. A year later he established his Pahokee store and with a partner established a store in Belle Glade. Today, people throughout this area go to Kahn's for shoes, dresses, suits, ready-to-wear—in fact, for their general clothing needs for the entire family. Mr. Kahn attends Beth Israel Temple in West Palm Beach; is a member of Egypt Temple Shrine of Tampa and Scottish Rite Consistory in Lake Worth. He is also an active member of the Rotary Club. He has been an active member of the Rotary Club since 1933, and is a member of Belle Glade Country Club. His favorite sports interest centers in football; his hobby is reading and listening to good music. Mr. Kahn married Miss Ruth Ideison in 1937, and they have a son and daughter—10-year-old Alfred and 4-year-old Marjorie.</p>		<p>Faye C. Can Again Select Branch Of Armed Services Desired

Under new directives issued by the Department of the Army, men with or without prior military service enlisting in the U. S. Army for a three to six year period may now choose one of five arms as their branch of service. Captain William F. Payne, Recruiting Officer, announced today. "They are the

Corps of Engineers, Armored Cavalry, Coast Artillery, Field Artillery and Infantry." This is the first time in three years that initial enlistees have been authorized to choose their branch of service.

"Applicants with no prior service in the Army or Air Force and initial enlistees may now enlist in the Regular Army for two years but cannot choose their branch of service," Captain Payne continued.

Prior service men of the Navy, Coast Guard and Marine Corps are not authorized any rank in a two year enlistment but are eligible for the rank they held at the time of discharge, if they enlist for three years or more and if they held their rank a long enough period of time.

"Two year enlistments have been suspended since last January," the captain said.

Fishing Camp On East Shore Of Lake Sold For \$45,000

Mr. and Mrs. W. J. Adams who for the past four years have operated the J and S fishing camp midway between Port Mayaca and Okechobee, according to deeds filed in St. Johns County, have sold the camp to Mr. and Mrs. Alton J. Hermann of Okechobee, for \$45,000.

The camp is surrounded by a park covered with woodland and a long riparian right on the lake shore. Mr. Adams is reserving a strip on the south side of the tract, where he expects to carry on with his fish worm industry raising worms for both agricultural and fishing purposes. He also retains certain personal fishing equipment.

Sending Tourists With Money Down Over Route 27

How would you like to have a part of \$800,000.000? You have a chance every year, according to Bill Carr, executive director of Highway 27 Association. Bill states that each year tourists spend that much in Florida, and the Association is making plans now to direct a large share of this travel over U.S. 27 which passes through central Florida reaching such attractions as Silver Springs, Cypress Gardens and others. The Association plans to spend \$25,000 in northern advertising for the 1949-50 tourist season.

Martin County Bridges To Open Upon Virgin Beach Along Coast

Martin County possesses some mighty fine ocean beach land, which has never been disturbed by the hands of man, for the reason that the section has no bridges to reach it.

The county now has the legal right to call a bond issue for the building two bridges, one across the St. Louis at Stuart, and the other across the Indian river at Jensen; at an estimated cost of \$2,000,000. Such an election is to be held possibly in August. Claim is made that with bridge access that the virgin land and the ocean front would be rapidly occupied and improved, and bring much wealth to Martin county.

FL Lauderdale team won the national ritualistic contest and its large award. The hall was packed when this team put on Florida delegation, when the work. Under closer markings and contest rules, the Florida boys pulled off a 97 percent score. Berry stated that the sensational and colorful parade was several miles long, taking two hours to pass a given point, with fully 15,000 Elks marching behind many bands, brought by delegations or provided by the City of Cleveland schools. Hotel accommodations were crowded and many had to seek home.

The survey of all sections of Palm Beach County reveals practically every town in the county is interested in developing new industrial payrolls provided they do not in any way hurt tourist development. Chairman Stetson has just issued a statement to the effect that we must work upon a carefully concentrated plan as procedure of new industries is the hardest and most difficult project confronting Palm Beach County. Every other community in America is seeking new industrial payrolls today and offering inducements.

harmonious employment for our people here at home. out cans. The convention on Monday was addressed by Governor Thomas Dewey. Walter C. Fisher, Queenston, Ontario, Canada, is the new president of the International Association of Lions Clubs. He was elected by unanimous vote at the 32nd annual convention of the Association. Fisher succeeds Dr. Eugene S. Briggs, Enid, Oklahoma.

The convention concluded one of the most successful years in the history of Lions International, according to the report made by Melvin Jones, Chicago, Illinois, Secretary-General and founder of the Association. He reported the addition of 757 new Lions Clubs and 23,282 men to the roster of the Association during the twelve-month period ended June 30, 1949, for a total of 14,747 clubs and 381,426 members.

He stated also that during the fiscal year Lions Clubs were established in four additional countries: France, Bolivia, Philippines and Norway. Lions International, he added, is the largest, strongest and most active service club organization in the world, with Lions Clubs in 28 countries on five continents. MORE MORE MORE MORT.

When Exalted Rulers Sam Berry and James Vann, of the Elks lodge at Belle Glade and Pahokee, went to the national convention in Cleveland, along with their wives, the place from West Palm Beach. Berry gave the members of his lodge an outline of the convention activities, both as to business sessions and outside entertainment. He stated that the big features was the manner in which Grand Exalted Ruler Hall, of New York, handled the convention business; the address of the new Exalted Ruler, Emmett Anderson, of Tacoma; and the big parade and various banquets. The Florida delegation banquets were outstanding, and many of the high officers of the convention and other states were honored guests. Great station came to the

State Unemployment Compensation Law administered by the Florida Insurance Department is now available for purchase at \$145,933.253. These funds can be used for no other purpose than to provide for the benefits payable to eligible under the terms of the Law.

The money collected from employers for Unemployment Compensation under Florida Law is paid to the State's Department of Services men's Readjustment Allowance payments.

Stuart Masons Will Erect Fine Temple

At Ocala, Fla.

The Masonic lodge in Stuart has decided to go forward with the building of a new temple at 40x50 foot one story temple on its property located at the intersection of U.S. 1 and 100th Ave. and raising has been going on for some time, plans have been accepted and the money has been given to the Master given.

With Belle Glade masons also contemplating a \$25,000, more

two lodges in the 22nd Masonic District will soon be completed. The names which please the District Deputy Grand Master William Hendry, of Oklawaha, are the 22nd District Masons and Wardens Association will be held with Acadia lodge on July 1 with a school of instruction.

Sebring News

Editorial

By H. A. Perry Retiring

N. A. Perry who has been the managing editor of the Highlands County News at Sebring since 1934, will retire with the first of July, news from that paper, and is succeeding by the new editor, J. W. Warrington, former publisher of papers in Avon Park. The 22nd District Masons and Wardens Association will be held with Acadia lodge on July 1 with a school of instruction.

The Perry interests were 20 years ago. Perry is returning his former home in Kentucky.
